### Prayer Notes

### September 2013

Romania's commercial farmers have reported bumper crops this year. Although much of this will go for the export markets, there should be a fall in the local market prices. In addition, the government is experimenting with a lower level of VAT on bread, which should also lead to lower consumer prices. However, other prices including fuel have risen and the forecast of a hard winter does not bode well for those with a low, or no, income.

#### Give thanks ...

1. Dana and Cristi have a young family and plenty of washing, but they had no reliable water supply. Funding has been provided to dig a well for them and they will no longer have to depend on a rainwater butt for washing.
2. Valeria Acruoiaie has cared for her paralysed husband for 28 years; he can communicate only by eye movement. She needs to make some repairs to their house, and AN was able to make up the shortfall in the money that she had saved.

#### Please pray ...

1. Preparations for the coming winter have started and bring an increased level of activity for AN staff. Pray for health, strength and enthusiasm for the team.
2. The start of the new school year brings hope for the future but many schools suffer with poor facilities and inadequate resources.

### Prayer Notes

### September 2013

The RoAF Prayer Meeting normally takes place at 8 pm on the second Tuesday of each month; the actual venue can vary so please contact one of the RoAF team for confirmation. However, you don't need to be in Horley - just remember to pause and pray wherever you are at that time (or, indeed, at any other time).

Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing.

#### Give thanks ...

1. The continuing provision of clothing, food and finance, from both regular and unexpected sources.
2. For the interest and support of those planning to visit Dorohoi during the next few months.
3. For the donation of materials and funding for the construction of a new house for a needy family. Pray for the team that will be going to Dorohoi to build the house later this month.
4. For 300 gift boxes already prepared and awaiting transport from south Wales.

#### Please pray ...

1. For wisdom for timing in the dispatch of lorries during the next few months. Stock levels and finance in the UK must be balanced against the needs in Romania, and the autumn of each year is when this balance is at its most delicate.
2. The start of the new school term is the trigger for the promotion of the Joy in a Box Christmas gift box scheme. The gift boxes are highly valued by their recipients but there are many organisations competing for the donors' attention.
3. RoAF's activities in Horley are based at Horley Baptist Church. The Church is preparing to construct new premises and RoAF needs to make arrangements for the transition period.
4. Additional help is required at each of our collection centres - pray for new people to become actively involved in the packing and loading processes.
