### April 2014

Remus Termen is a leader of the local Church in Dorohoi and his was one of the first families to offer us hospitality during our early visits to Romania. He is a cabinet maker and has a large workshop adjacent to his house. Recently, a neighbour's bonfire got out of control and set fire to the workshop, spreading to his wood stock, his machinery and several vehicles. Remus had recently conducted a successful outreach mission and attributes this personal disaster to 'enemy action', saying simply that "Job suffered more".

#### Give thanks ...

1. For the load from west Wales, currently en-route. These loads are essential for AN to be able to continue helping the needy. Last month, donations of goods were valued at £6,100; AN also gave £1,200 cash to help people with particular needs.
2. For the arrival of Spring; warmer weather and new growth, and also a new season of work in the fields and the opportunity for some to earn a small income.

#### Please pray ...

1. For Remus (see above), for Beni who has been diagnosed with a serious spinal disorder and for AN volunteer Iulian who also has long-term health problems - these illnesses will have serious implications for the way in which AN operates.
2. For the arrangements for the Christian summer camp outreach to some of the children of our beneficiary families.

### Prayer Notes

### April 2014

Our teams report that packing is going well, plenty of clothing, etc, coming in. The general activity level in Swansea has definitely gone up this year - more packing, more funds raised, more boot fairs, more interest from local churches - whilst the Horley team is adjusting to the new location at the Innes Pavilion well.

The next prayer meeting is on Tuesday 8th April at 8pm. Prayer is our connection with God's ultimate power source and, without prayer support, our efforts would achieve nothing of lasting value. Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind.

It is with sadness that we heard of the death of Catherine Redwood. Catherine, together with other members of her family, was a keen supporter of RoAF's activities, being involved primarily in Friday packing and in loading the lorries at the warehouse. We will miss her positive attitude and encouragement.

On behalf of the RoAF team and those in Romania who received the benefit of her efforts, we send our condolences to Howard and their family.

#### Give thanks ...

1. For Catherine Redwood, for her encouraging support for RoAF and the help that she has given to many people.
2. The continuing increase in both the quantity and quality of the goods that we receive for onward transport.
3. For new contacts and expressions of interest - pray that promises made will turn into real action and more support will be forthcoming.

#### Please pray ...

1. For this year's delivery programme and the personal visits to Dorohoi being planned for later this year.
2. For finance to move the aid to where it is needed - the increasing donations of goods has implications for transport costs - pray that God will guide and provide.
3. For guidance when competing priorities need to be resolved.
4. That God will continue to give His strength to all those involved in this work.
