### Prayer Notes

### June 2014

AN is involved in an initiative that would provide a more stable home for some of the ex-orphanage boys who are currently in casual accommodation in Dorohoi. A substantial proportion of the necessary funding has already been pledged, and land purchase negotiations have commenced. More details in the attached leaflet or on the website under the title of 'After the Orphanage'.

Following a major fire at her house, Maria Coropca had to put her children into care. A replacement house was provided through public funding and AN is helping to bring it to the condition necessary for the return of her children.

#### Give thanks ...

1. For stocks of rice and pasta from the UK, and oil from AN's own crops.
2. For progress on fitting out the replacement house for Maria Coropca.
3. For the load from Billingshurst, which arrived recently, including mattresses, bicycles, computers, pushchairs and clothing.

#### Please pray ...

1. For the activities at the Christian summer camp: not just fun for some of the children of our beneficiary families but an outreach that will lead to changed lives.
2. For guidance in progressing the proposed home for orphanage boys.
3. For a return to full health for several members of the AN team.

### Prayer Notes

### June 2014

The RoAF Prayer Meeting normally takes place at 8 pm on the second Tuesday of each month; the actual venue can vary so please contact one of the RoAF team for confirmation. However, you don't need to be in Horley - just remember to pause and pray wherever you are at that time (or, indeed, at any other time).

Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing.

**Children's Summer Camp:** Sponsorship has been received which will allow some 30-35 children from our beneficiary families to spend five days later this month at an adventure camp in the Carpathian mountains, free of charge to their families. The camp has plenty of sporting and leisure activities (which many of these children will not have experienced before) but the emphasis is also on Christian outreach in an appropriate and sensitive manner. This too will be a new experience for many of them. Some more mature leaders will accompany the group but there is a vacancy for one more! Camp info at [www.cristia.ro](http://www.cristia.ro)

#### Give thanks ...

1. For the quantity and quality of the goods being offered to us.
2. For the four loads of aid received so far this year, totalling nearly 50 tons.
3. For the health and strength of those actively involved in preparing these loads.
4. For those people who consistently support the work that RoAF and AN are doing, through physical involvement, donation of goods or prayer support.

#### Please pray ...

1. For more people to help with packing on Friday afternoons in Horley - the amount of clothes and other items coming in threatens to overwhelm the team.
2. For those planning to visit Dorohoi in the next few months - especially that they will return home with renewed enthusiasm.
3. For the Swansea team, who are preparing the next load for dispatch next month.
4. For guidance in balancing necessary expenditure against a limited income.
