Prayer Notes

January 2015

The new year has started - and so have the phone calls and appeals for help. The TV images of glitter and gold have been replaced by the realities of life hungry and cold. Through the generosity of many people we have some food, firewood and clothing to share with those who need them, but these supplies are limited and we appreciate your prayers as we seek to distribute them fairly.

As we look through the records of the past year we note that some once-familiar names are absent - perhaps their circumstances have improved and they no longer need so much help - but we see also a much greater number of new applicants, many of them a second generation whose families still cannot provide for them. In January life returns to normal but, for many, normal is not all that nice.

Give thanks ...

1. For resources enabling us to share some food, clothing and wood with needy families, and to add a little pleasure with the remaining gift-boxes.

Please pray ...

1. That the political and economic changes that will occur this year will bring some benefit to those who do not enjoy much at present.
2. For guidance in addressing the many situations that we will face this year.
3. For the AN staff whose health problems are exacerbated by the cold weather.

Prayer Notes

January 2015

RoAF is essentially a faith-based organisation that relies on prayer. The Horley team holds a monthly prayer meeting with an open invitation to all who are interested in our work. The venue can vary so please contact one of the RoAF team for details. However, you don't need to be in Horley - just remember to pause and pray wherever you are.

Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing.

Horley's Friday packing team has started the new year with its first meeting on 9th January. Members of the Billingshurst warehouse team are asked to check the new rota. The Swansea team has reported that work is picking up again too.

You don't have to be an established member of a team to get involved - ad hoc volunteers are welcome too. For example, we have an urgent need for someone who is reasonably fit and has a couple of hours free during the week to help move boxes of clothing from Horley and Crawley to our warehouse at Billingshurst. Don't waste your time at the gym - come and do something useful.

Give thanks ...

1. For God's 'just in time' provision for the continuation of the work of RoAF and AN, through both good times and bad during the past year.
2. For a constant supply of donations and rapid replenishment of our warehouses.
3. That the possibility of the sale of the Billingshurst warehouse has been withdrawn - but continue to pray for the arrangements in Swansea.
4. That God knows all about the year ahead, and he can handle it!

Please pray ...

1. For the activities during the coming year - the needs will not disappear with the passing of the old year and for many this year will simply be more of the same.
2. For health and strength for those who help in all aspects of this work - we are all one year older and all our teams would appreciate an extra hand or two.
3. That we will continue to seek God's guidance for this work that He has blessed in so many ways.
