

## Asociația Neemia Prayer Notes March 2015

Traditionally, the first day of March heralds the start of Spring and the prospect of better times to come. The ground remains frozen and snow still makes a regular appearance but nights are getting shorter and there is a significant increase in agricultural activities. This provides some opportunities for work for those in rural communities but those who rely on construction work will have to wait another two months. This, of course, only offers hope to those who are able-bodied and can find employment. For many households, that is not the case and at this time of year we receive many appeals from people who have nothing to eat. So far this year we have given out nearly 1 ton of food from the harvest collections and made 40 donations of money to help people buy food for their families.

### Give thanks ...

1. For a second member of our 'boys' group who has asked to be baptised.
2. For the safe arrival of another generous load of essential aid.
3. For good progress with the statutory procedures for the boys' house.

### Please pray ...

1. For those whose initial progress is being swamped by the problems of life.
2. That we can make the right decisions when trying to balance competing needs against limited resources - particularly difficult at this time of year.

## The Romanian Aid Foundation Prayer Notes March 2015

RoAF is essentially a faith-based organisation that relies on prayer. The Horley team holds a monthly prayer meeting with an open invitation to all who are interested in our work. The venue can vary so please contact one of the RoAF team for details. However, you don't need to be in Horley - just remember to pause and pray wherever you are and whenever the thought comes to mind.

Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing.

We have an urgent need for someone who is reasonably fit and has a couple of hours free from time to time to help move boxes of clothing from the Horley and Crawley areas to our warehouse at Billingshurst. This has become urgent and it threatens to seriously reduce the amount of help that we can give to those who need it. Don't waste your time at the gym - come and do something useful!

RoAF has been adopted as International Charity of the Year by St.Peter's parish church in Pontardawe. This will raise the profile of RoAF in south Wales and will bring opportunities to generate increased interest in our work.

### Give thanks ...

1. For the safe loading and dispatch of this year's first lorry to Dorohoi.
2. For the growing level of interest amongst knitting groups around the country, especially those providing knitwear for infants.
3. For the adoption of RoAF by St.Peter's parish church in Pontardawe,.
4. For the enthusiasm shown by those people who have already started preparing gift boxes for next Christmas.

### Please pray ...

1. For additional manpower to help transport packed items from Crawley to the warehouse in Billingshurst.
2. For guidance as to the timing of lorries throughout this year.
3. For financial stability during this year, especially that confidence in God will not give way to complacency and missed opportunities.
