### Prayer Notes

### June 2015

Work has started on building the home for the ex-orphanage boys. The building team has enjoyed dry weather and the walls have reached full height for the first storey. Now preparations are under way for the pouring of the upper floor slab.

Conversely, the dry weather has been less helpful for those raising crops as the lack of rain means that many hours have to be spent tending to the plants.

As last year, we have received sponsorship specifically to allow some 30 children to attend a Christian camp in the mountains at the end of this month. The children are being chosen from our beneficiary families and are those who are unlikely to have any other opportunity for a holiday away from home.

#### Give thanks ...

1. For being able to give out goods with a local value of some £8,600 during the past month, thanks to the efforts of those who provide, pack, pay and pray.
2. For good working relationships with organisations within the town.

#### Please pray ...

1. For the children's camp at the end of this month; for safety, enjoyment and a step towards a positive future for these children.
2. For continuing progress on the boys' home; especially for the provision of materials and resources as and when needed.

### Prayer Notes

### June 2015

RoAF is essentially a faith-based organisation that relies on prayer. The Horley team holds a monthly prayer meeting with an open invitation to all who are interested in our work. The venue can vary so please contact one of the RoAF team for details. However, you don't need to be in Horley - just remember to pause and pray wherever you are and whenever the thought comes to mind..

Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing.

The Horley packing team will be moving its activities to the new HBC premises on Court Lodge Road during the next few weeks. It is expected that the final session at the Innes Pavilion will be on 19<sup>th</sup> June and the first session at the new building will be on Friday 10<sup>th</sup> July. There will be no formal packing on the two intervening weeks but work will be in progress to assemble a new shed and transfer the stock - volunteers to help please contact Brian Gawn or Graham Howard.

#### Give thanks ...

1. For the opportunity to use the Innes Pavilion in Horley to maintain continuity of the Friday packing sessions.
2. For the generous supplies of clothing and other goods that continue to arrive - but we now need the volunteers to help handle it all.
3. For those small but unmistakable occurrences that show God's hand in this work and which encourage us to continue to be about our Father's business.

#### Please pray ...

1. For the transfer of activities to the new HBC building.
2. For the arrangements for the dispatch of another lorry from Billingshurst, probably on Saturday 25th July.
3. For a successful funding appeal for the boys' home project.
4. That the improving economic conditions in other parts of Romania may spread out to include those who need it the most.
