

## Asociația Neemia Prayer Notes July 2015

The summer camp for children of some of our beneficiary families has just ended and, as usual, there are cries of “When can we go again?” - a year seems such a long time to wait. The 34 children nominated by AN were integrated with groups from other parts of Romania as well as others from a children’s home in Dorohoi. The programme included fun and games, and group activities, pantomime and ‘singalongs’. As to be expected, some children tried to exploit the opportunity of being away from home but most enjoyed the rare chance of a wonderful holiday.

In summer the needs do not go away and we continue to donate clothing and other items, such as the sewing machine from TWAM, to those who need them.

### Give thanks ...

1. For an enjoyable camp with happy memories; and praise God for those who made it possible for the children to attend.
2. For approval of details for the boys’ house, allowing the next stage to proceed.

### Please pray ...

1. For those camp attendees who responded to the spiritual dimension of their time there, especially for help as they explore their thoughts further.
2. For continuing good progress on the boys’ home; especially for the provision of materials and resources, as and when needed.

## The Romanian Aid Foundation Prayer Notes July 2015

RoAF is essentially a faith-based organisation that relies on prayer. The Horley team holds a monthly prayer meeting with an open invitation to all who are interested in our work. The venue can vary so please contact one of the RoAF team for details. However, you don’t need to be in Horley - just remember to pause and pray wherever you are and whenever the thought comes to mind..

Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God’s ultimate power source and, without prayer support, this work would achieve nothing.

The packing team in Horley resumes its activities at the new Baptist Church premises on Court Lodge Road on the afternoon of Friday 10th July. However, the team will be taking its usual summer break during August, resuming on 4th Sept.

The loading team in Swansea has started preparing the their next consignment, aiming for dispatch early in the Autumn, whilst further west our teams report a generous amount of goods being received.

### Give thanks ...

1. For the generosity of those who give and the efforts of those who prepare and pack these items, all in the context of an aging team of volunteers.
2. For the continuity of RoAF’s activities during the HBC transition.
3. For good co-operation with other charities, sharing resources and being able to give items where they are needed.
4. For the energy and perseverance of all those involved with RoAF and AN.

### Please pray ...

1. For the Horley packing sessions at the new premises - settling-in, sorting out procedures, welcoming both established donors and, hopefully, new ones too.
2. For the next loading day at Billingshurst- 25th July, for a good turn-out, safety, strength and God’s blessing on the journey.
3. For the team loading the next lorry from south Wales - again, safety and strength for the workers and the correct priorities in choosing the load.
