

## Asociația Neemia

### Prayer Notes

### February 2016

One of the highlights in January was the installation of a donated trampoline at Havirna kindergarten, alongside the climbing frame that RoAF team members provided in 1994. The latter is still fully serviceable and one of the teachers recalled playing on it herself as a child.

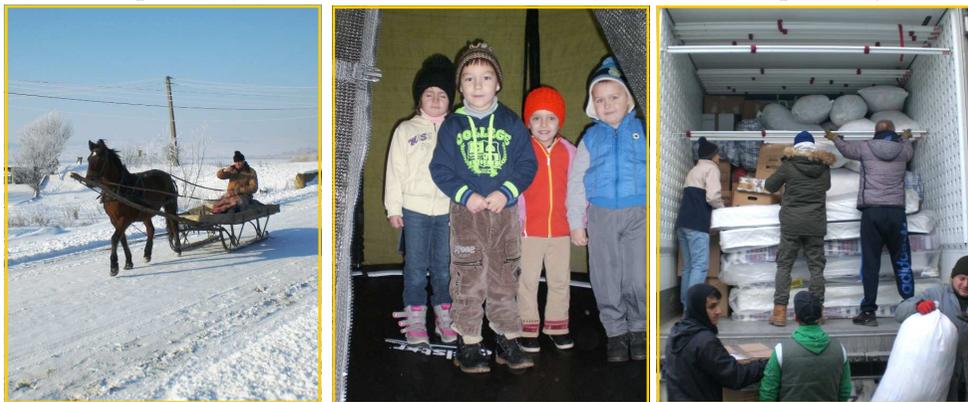

The efforts of our knitters are now proving their worth, with many families receiving blankets, scarves and gloves and, where appropriate, knitwear for children too. It is not uncommon to see children wearing these items in their classes, especially in the rural schools where the wood stoves are less efficient.

#### Give thanks ...

1. For another very generous load which arrived safely despite the weather.
2. For all those whose knitting skills are bringing warmth to many cold homes.
3. For good co-operation between the charities and the local social services.

#### Please pray ...

1. For those for whom the winter brings particular hardship - especially those who have not had enough resources to prepare adequately for it.
2. For the next stage of the boys' home - it is still too cold to work on the building but planning the installation of the plumbing and heating systems can start now.
3. That enquiries by some of our beneficiaries may result in real spiritual growth.

## The Romanian Aid Foundation

### Prayer Notes

### February 2016

RoAF is essentially a faith-based organisation that relies on prayer. The Horley team holds a monthly prayer meeting with an open invitation to all who are interested in our work. The venue can vary so please contact one of the RoAF team for details. However, you don't need to be in Horley - just remember to pause and pray wherever you are and whenever the thought comes to mind.

Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing.

RoAF's annual review of activities during the previous year has been published and is available by following the 'newsletters' link on our website. The Christmas gift box summary is also online, this time via the 'Joy in a Box' links. These documents can also be available in printed format - ask one of the RoAF team.

From time to time there are world events that seem to be somewhat distant from our work but which turn out to have an unexpected impact. One example is the reduction in oil prices meaning that we benefit from cheaper transport costs. By contrast, the migrant crisis is threatening to make transport more difficult.

#### Give thanks ...

1. For all those who contributed to the recent load; the lorry Romanian driver commented on the enthusiasm and efficiency (and the age) of the loading team!
2. For the abundance of items that we continue to receive, and the dedication of those who prepare them for dispatch.
3. For wisdom in deciding priorities for the next loads, due to leave in late March.

#### Please pray ...

1. For the follow up to an offer of sanitary ware for the boys' house, especially what to accept and how to transport it safely.
2. For a revival of interest in the Billingshurst area so that the warehouse can be staffed more efficiently.
3. For those charged with transporting our goods as they face more uncertainty on their journeys.
