### Prayer Notes

### December 2016

We have reached a significant point in the construction of Casa Neemia. The exterior insulation has been completed and the building is weatherproof. Work now turns to the interior. There are numerous small jobs that we can continue with as resources permit but our next major milestone is the installation of the central heating boiler. The under-floor pipework has been installed and tested under cold conditions but we need to proceed with the boiler to allow the connection of the gas supply and completion of a hot test prior to laying the floor tiles. We have seen God at work throughout this project and we have found that He does provide what is needed at the correct time - we just need to have the patience to wait upon His timing once again.

The first day of December is a national holiday in Romania – but not for our faithful team of volunteers who collectively unloaded some 14 tons of goods, including over 1,000 Christmas gift boxes and more than 4 tons of food. We are extremely grateful to all those people who have contributed to these appeals and to those who have made their delivery possible. Distribution of the food has already begun - our office staff are adept at decanting catering-size quantities into family-sized packages - and there is a mountain of gift boxes which will keep us busy right up to Christmas Eve.

#### Give thanks ...

1. for the completion of external work at Casa Neemia prior to the onset of the wintry weather.
2. for the generous quantities of food, gift boxes and other items which have arrived in time for distribution before Christmas.

#### Please pray ...

3. for an equitable distribution of gift boxes, and that the recipients will understand the real significance of Christmas.
4. for health and safety of the AN team at a time when illness is prevalent and road conditions are worse than usual.

### Prayer Notes

### December 2016

RoAF is essentially a faith-based organisation that relies on prayer. Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing of lasting value.

The packing and warehouse teams will be taking a break over Christmas and New Year, prior to resuming with renewed enthusiasm in the new year. Remember to check for local details before bringing your donations.

#### Give thanks ...

1. for generous quantities of food from south London and west Wales.
2. for all those whose dedication and hard work have meant that we have been able to continue helping the needy throughout the year.

#### Please pray ...

1. for God's guidance as we consider our plans for the coming year, including the timing of deliveries to Romania.
2. for security of our warehouses during the winter period.
