Prayer Notes

February 2021

In most years January is not a particularly news-worthy month. That does not mean that nothing happens but that the activities are largely part of our ordinary routines. There is little to be done on our various plots of land and no construction projects; the main activities are the donation of aid at the office and the distribution of firewood.

This year there has been the added complication of anti-virus measures to be observed. This has placed additional pressures on our staff and we are thankful that they have been able to continue to work with a positive attitude.

A major preoccupation this month has been trying to find out the new procedures for the import of aid from the UK. This is new territory both for us and the customs authorities.

Some additional photos of firewood distribution ...

Give thanks ...

1. For sufficient stocks of clothing and other goods to continue donations.
2. For the encouragement of knowing that God has it all under control.

Please pray ...

1. For those of our staff who have been affected by the Covid pandemic during 2020.
2. For the rapid return of stability after both Covid and Brexit.

Prayer Notes

February 2021

RoAF is essentially a faith-based organisation that relies on prayer. Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing of lasting value.

Ongoing restrictions mean that we are not yet able to resume activities such as collections and packing. This also means that we cannot resume warehouse activities in Billingshurst. Activities in south Wales are similarly subject to local restrictions. We are actively working through the necessary export procedures in anticipation of sending a lorry after Easter but it is likely that the range of items will be more limited than before.

Give thanks ...

1. For the continuity of interest amongst our supporters.
2. For the optimism to look forward to better times ahead.

Please pray ...

1. for clarity in the customs procedures for exporting aid.
2. for security of our warehouses in the absence of regular activities.
3. for those team members and supporters who are unwell at present.
