### Prayer Notes

### June 2016

Once again, AN has had the pleasure of hosting visitors from the UK. These visits give our supporters the opportunity to see conditions in Dorohoi and the surrounding area, and to meet some of the people that being helped by their efforts. For our part, as hosts, we are able to demonstrate in more detail how we go about helping local people. In addition the visits give us the opportunity to view their situations through our visitors' eyes and refocus on the recipients as people instead of just names on a piece of paper. We are now helping the second generation of certain households, which raises the question of whether there might be another form of help that would be more effective in the longer term.

#### Give thanks ...

1. For a donation of £3,000 for the boys' house, received from a charity in south Wales.
2. For the load received from south Wales, which replenished a sparse warehouse.
3. For long-awaited rainfall and prospects for a recovery in local crops.

#### Please pray ...

1. For the final arrangements for the children's camp next month.
2. About the eventual choice of residents for the boys' house and how the house is to be managed.
3. About the future direction that AN should be working towards.

### Prayer Notes

### June 2016

RoAF is essentially a faith-based organisation that relies on prayer. Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing of lasting value.

For the third year, sponsorship has been received which will allow about 30 children from needy families to go on a summer camp holiday in the Romanian mountains (photo). For most of these children, a holiday away from home is a rare opportunity to experience a change of scenery, meet other children and enjoy fun and games, all in a healthy Christian environment. Sponsorship is being coordinated by the RoAF team in Swansea. Further info and photos on our website. Our fourth lorry of the year is due to leave Billingshurst later this month, closely followed by one from Swansea early in July. So far this year, RoAF has sent some 37 tons of aid items having a local value in Romania of £43,000. These items (and the cost of transport) have been donated by individuals, companies and other organisations, and we thank everybody for their generosity. Included in the latest load were 25 bicycles refurbished by the residents of Cardiff prison. These bicycles are valuable for adults to get to work and help children in poorer families to feel less disadvantaged (photo).

#### Give thanks ...

1. For those RoAF supporters who have visited Dorohoi recently
2. For stocks of Christmas gift boxes, knitwear and fur coats which have started to arrive in our warehouses ready for next winter.
3. For the generosity of all those who donate items, time or finance to allow the aid distribution to continue.

#### Please pray ...

1. For safety of the load due to leave Billingshurst later this month.
2. For the selection of appropriate items and the organisation of the loading of the lorry due to leave Swansea in July.
3. For finances to ensure the ongoing transport of aid from the UK.
4. That the outcome of the UK referendum will not have an adverse effect on the transport of aid or compromise the help that we are able to give.
