Prayer Notes

January 2021

2020 may have gone but its effects will continue to be felt for some time to come. Many people doing “non-essential” jobs have found their income has shrunk dramatically but at the same time there have been some very significant rises in the cost of living.

Despite the difficulties, the AN team has continued to function and has provided help to needy people in this area. In 2020 as a whole, we made some 3,200 donations of clothing and other goods to 950 separate households. These donations had a total UK equivalent value of £56,000.

Financial assistance has continued but on a very limited scale as the income from the shop is also very low and we can help only the most deserving of cases. We are grateful for extra sponsorship from the UK which has helped during the year.

Some additional photos of Christmas boxes ...

Give thanks ...

1. For sufficient stocks of clothing and other goods to continue donations.
2. For those whose gift boxes brought joy at Christmas.

Please pray ...

1. For those of our staff who have been affected by the Covid pandemic during 2020.
2. For the rapid return of stability after both Covid and Brexit.

Prayer Notes

January 2021

RoAF is essentially a faith-based organisation that relies on prayer. Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God’s ultimate power source and, without prayer support, this work would achieve nothing of lasting value.

Current restrictions mean that we will not be able to resume person-to-person activities in Horley and Billingshurst such as collections and packing whilst they are in force. This also means that we cannot resume warehouse activities in Billingshurst. Restarting later in February will be dependent upon restrictions in force at that time.

Activities in south Wales are similarly subject to local restrictions.

Give thanks ...

1. For the continuity of interest amongst our supporters.
2. For the optimism to look forward to better times ahead.

Please pray ...

1. for clarity in the customs procedures for exporting aid.
2. for security of our warehouses in the absence of regular activities.
