Prayer Notes

December 2022

A report from one of the groups that support our work:

“We are St. Mary's Church Thornbury and Rotary, Inner Wheel Ladies Group Thornbury. We both meet once a month for 'Knit and Natter' and to hand in our efforts. we had a great morning - old friends meeting up - over 50 folks including 3 brave fellows. We met folks from the other knitting group for the first time.

There was a display of our goods that are now packed and on their way this morning - hopefully to catch the next lorry - about 11 blankets. We raised money for transport of our boxes and to raise awareness - we did both! £470”

AN does not keep separate records of the donation of knitted items but in November we distributed clothing and bedding totalling 1.75 tons.

Knitters together...

putting their skills to good use

Give thanks ...

1. For those who are willing to use their skills to help people that they will never get to meet.

Please pray ...

1. That the distribution of these goods will honour the efforts of those who provided them as well as bringing comfort to the recipients.

Prayer Notes

December 2022

RoAF is essentially a faith-based organisation that relies on prayer. Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing of lasting value.

Once again we are focusing on the preparations necessary prior to dispatching a consignment of aid items to our team in Romania. The area that we help is one of the coldest in Romania - it escaped the searing heat of the summer but is now one of the first areas to experience the winter chill. Once again we will be concentrating on clothing and bedding, including the knitwear that so many people send us.

Give thanks ...

1. For those who continue to help despite current economic pressures.

Please pray ...

2. For the forthcoming load, that the items sent will be useful, that the documentation will be acceptable and that the driver will remain safe during his journey.

This month's photos ...
