

## Asociația Neemia

Prayer Notes  
March 2023

It is that time of year when we need to finalise our records of activities during the past twelve months. This is not just a question of balancing the financial accounts but also to make sure that our records of donations of goods also match up with what we think we have left in the warehouse. The new rules that came into force during 2022 mean that this year the exercise needs to differentiate between stock which was received before the rules came into force and later acquisitions. A group of residents from Casa Neemia, both Romanians and Ukrainians, have been checking the contents of boxes and recounting them, and we are grateful for the effort that they are putting in.

For several years we have received stationery and educational materials which we have been able to share between several kindergartens locally. Teachers and children alike are grateful for these items.

Kindergarten materials received via RoAF ...

Give thanks ...

1. For the loyalty and dedication of our staff at a time when the need to look after their own families is particularly strong.

Please pray ...

1. For those involved with the stock-take and the fiscal inspection; this can be a very stressful time.

## The Romanian Aid Foundation

Prayer Notes  
March 2023

RoAF is essentially a faith-based organisation that relies on prayer. Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing of lasting value.

Packing in Horley is proceeding quietly so far this year. Our loyal regulars still continue to donate items and help with the packing, and we still receive enquiries from casual donors, but there are many other areas of need globally and Romania no longer has the focus of the world's attention. Nevertheless, and in co-operation with our colleagues in south Wales, we are steadily accumulating more items for dispatch, probably towards the end of April or in mid-May.

Give thanks ...

1. For a fresh supply of boxes and pallets - essential items for transport.

Please pray ...

1. That we remain alert to God's will about the future of RoAF's activities.
2. For health and strength for those involved in sorting and packing the aid items that we receive.
