Prayer Notes

May 2023

RoAF is essentially a faith-based organisation that relies on prayer. Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing of lasting value.

After the confusion of the past couple of months we are happy to report that no news appears to be good news. There has been no further come-back from the recent examination of our activities in Romania and we are continuing with planning for another delivery once we have sufficient aid.

In Romania, we have received sponsorship for the local purchase of fleece blankets, which we are giving to young mums and families with small children. Bicycles and some types of furniture are useful but we can only donate soft toys from the stocks that we already have.

Overleaf, snapshots of life at Casa Neemia.

Give thanks ...

1. That God is still blessing our efforts despite uncertain times.

Please pray ...

1. About the timing and content of the next aid consignment.

Donations continue: a blanket, a bike and something like a bunny!
