Prayer Notes

June 2023

The latest consignment of aid has arrived in Romania with no difficulties en-route other than those that might be expected during what was a holiday weekend in much of mainland Europe. The load then had to be inspected by consumer protection officials and assessed by customs officers before being released for unloading. We have come to expect that the rules will change on each occasion, and this time was no exception. With a bit of back-and-forth with paperwork and good will on both sides the load was released and unloaded by a joint Romanian-Ukrainian team.

Romania's strict rules have been introduced as a fight-back against the dumping of substandard items from elsewhere in Europe. After the inspections were complete the officers commented that they were impressed by the quality of the items that had been sent.

A hive of activity ...

Give thanks ...

1. For the safe delivery of a new load despite the hurdles along the way.
2. For the co-operation of many people in getting the load approved and transferred into our warehouse.

Please pray ...

1. For the future activities of AN: our work with needy people is dependant upon the deliveries of goods from supporters in the UK.

Prayer Notes

June 2023

RoAF is essentially a faith-based organisation that relies on prayer. Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing of lasting value.

Packing is proceeding quietly so far this year; consequently the team has decided to meet fortnightly until after the summer break. The remaining packing dates at Horley are 23rd June, 7th and 21st July. The packing sessions are due to restart on 2nd September.

A further load was dispatched to Romania on 3rd June; many thanks to those who helped to prepare the goods and to load the lorry. Photos of the loading below and unloading overleaf.

Give thanks ...

1. That God is still blessing our efforts despite uncertain times.

Please pray ...

1. For health and strength for those involved in sorting and packing the aid items that we receive.
2. For more people to help with sorting, packing and loading the aid.

After weeks of effort ...
