Prayer Notes
August 2023

During July AN sponsored the purchase of some chickens for a family in Vaculesti. Having these chickens will help the family to be able to prepare meals that are more nutritious. We were able to acquire a small quantity of frozen foods from another charity, for donation. Some of the maize from our land was milled into flour also for donation whilst the gardens at Casa Neemia produced a good crop of vegetables for the residents. A small pool allows the children there to cool off during the current heatwave.

For a number of years, RoAF and AN have supplied some sports items, craft materials and educational equipment to some of the kindergartens in Dorohoi and in the surrounding villages. Without these donations the teachers would have to source the items locally, either at their own expense or asking parents to contribute. In that instance there is a risk that some children from poorer homes would not be able to participate.

Prayer Notes
August 2023

RoAF is essentially a faith-based organisation that relies on prayer. Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing of lasting value.

The Romania authorities have announced the implementation of an EU directive which restricts the import of toys for children. Imported toys, including home-made items, now need to carry a 'CE' conformity label. As it is impractical for our teams to verify these labels we cannot now accept toys for donation. Most stationery is, however, still acceptable.

Finally, a reminder that the packing team at Horley will be taking a break during August; the warehouse will also be closed during this month. Normal programmes for packing and the warehouse are planned to resume on the 8th and 9th September respectively.

Give thanks ...

1. For the support that we still receive despite the changing constraints.

Please pray ...

2. For guidance for those who decide the future direction for RoAF & AN.

Chickens, flour and a splash of water ...
