## Prayer Notes

### November 2023

We were very grateful to receive another load of aid items in mid-October. As we have come to expect, there was a slight hiccup with the documentation - on this occasion it was necessary to provide a certificate of EU conformity for the wheelchairs in the load. With goodwill on both sides this was resolved promptly but it does give an opportunity to emphasise that items need to be complete, clean and, where necessary, appropriately documented.

Our land at the warehouse has produced another valuable crop. this year it was sunflowers. The seeds were pressed to give several hundred litres of oil for donation to our needy families. The oil has been described as being of better quality than shop-bought alternatives and is highly sought after by visitors to the office.

Recently we received a request for an update on our activities. This is now available on our website at <https://www.roafan.org/report2023/>.

... mobility aids, sunflower seeds, recycled pallets.

#### Give thanks ...

1. For a good crop of sunflowers which will benefit many people.

#### Please pray ...

1. For consistency and co-operation in negotiating the import regulations, and especially for those staff who are frontline at a stressful time.

## Prayer Notes

### November 2023

RoAF is essentially a faith-based organisation that relies on prayer. Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing of lasting value.

Our teams have been encouraged by the response to the new packing season. Some new donors have brought items whilst in south Wales the goods are piling up. More packing volunteers required!

We are looking at sending a lorry on Saturday 16th of December. There are 12 pallets (half a load) ready now; we will send the load even if the lorry is not full as it is better for the items to be in Romania rather than stuck in our warehouses in the UK. Hopefully the weather will still be suitable for the journey.

The 15th December will be the last formal packing day for this year.

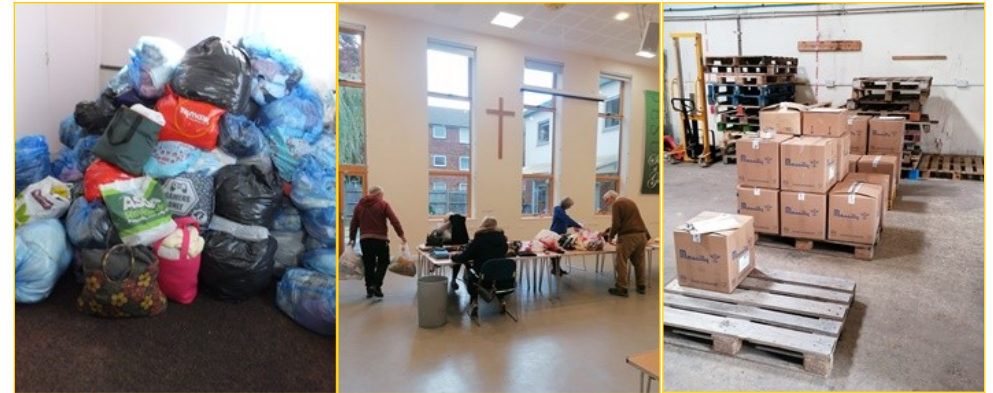

#### Give thanks ...

1. For the abundance of items being offered to us.

#### Please pray ...

1. For more volunteers to help with preparing the aid for dispatch.
2. For decisions concerning the content and timing of the next load.

... goods incoming, inspection and packing, goods outgoing.
