Prayer Notes

December 2023

At Casa Neemia we have installed the donated solar panels and have bought an inverter and smart meter, and we have been able to reduce the electricity bills by a worthwhile amount. We are waiting on the necessary connection and approvals which will allow Casa Neemia to contribute our surplus back into the local grid supply. The house is full once again as several people who were able to get summer jobs have returned for the winter. We have plenty of fruit and vegetables from the gardens, thanks to the efforts of the residents earlier in the year.

We have again this year received funding to purchase additional food for the most needy of our registered families. We will prepare gift bags containing a mixture of essential groceries and a few luxuries, together with some firewood where appropriate.

Kindergarten materials have been shared with local teachers, to help them prepare their Christmas activities.

Energy for the sun, warmth from wood and encouragement in a box.

Give thanks ...

1. For a year when we have, once again, seen God's positive intervention.

Please pray ...

1. For good working conditions during the busy period before Christmas.
2. That our staff will themselves benefit from a break before the new year.

Prayer Notes

December 2023

RoAF is essentially a faith-based organisation that relies on prayer. Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing of lasting value.

In south Wales donations of clothing have been arriving by the van-load; meanwhile the Horley team also has received plenty to keep them busy. Both teams have worked together to prepare the final load for this year.

At Horley the final packing session for this year will be on 15th December, our warehouse at Billingshurst will close after dispatching the lorry the following day. We expect to resume our normal programmes on the first weekend of the new year.

Give thanks ...

1. For yet another year of blessings with its surprises and successes.
2. For Nonu (photo below right) who will be moving on after several years helping with the preparation of the boxes at Horley.

Please pray ...

1. For this month's load, especially with the risk of difficult weather.
2. For wisdom concerning the plans for the year to come.

Clothes by the van-load; checking them in and checking them out.
