Prayer Notes  
January 2024

In December, AN enrolled in a nation-wide food bank scheme whereby a local supermarket supplies us with short-term food that is nearing its 'best-by' date. This is food that would otherwise be thrown away and it is given to us to pass on to families in need. There are strict rules intended to prevent the food from being returned to the public market.

During the past year we made nearly 4,500 donations of goods to some 850 people. These goods came from the UK or were purchased locally using funds sent for that purpose. These figures include the sponsored Christmas giftbags containing groceries and some seasonal treats but do not include the supermarket donations mentioned above.

At Casa Neemia, our solar panels are making a worthwhile dent in the electricity bills, Angelica continued to provide stability and good cooking for our residents and an easily-recognisable Santa brought some presents for the Ukrainian children.

Supermarket surplus, tasty snacks, a calm interlude.

### Give thanks ...

1. For the items received via the food bank.
2. For the support of our partners and sponsors during the past year.

### Please pray ...

1. For confidence to step forward into the new year.

Prayer Notes  
January 2024

RoAF is essentially a faith-based organisation that relies on prayer. Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing of lasting value.

We have reached the end of another year of preparing and sending items to help needy people in Romania. Including the efforts of our colleagues in south Wales, this year we were able to send goods with a value (in Romania) equivalent to some £13,500 in total. These goods were donated to RoAF free of charge but transport and logistics costs have to be met so we are also very grateful to those who support us financially.

We were able to effectively empty the warehouse with the latest load but we have lots more items in the pipeline and there will be plenty for our volunteers to do in the next few months.

### Give thanks ...

1. For another year that ended more optimistically than it began.

### Please pray ...

1. For guidance about activities during the coming twelve months.
