Prayer Notes
February 2024

The new financial year will bring new procedures for fiscal controls in Romania; in particular it will become necessary for business accounts to be maintained electronically, using approved software. This will represent a learning curve for our staff as, to date, our computerised systems have been used mainly for keeping up to date with stock levels and donation records.

Two local branches of a national supermarket chain have continued to give us a range of food items that are nearing their sale dates. There are stringent requirements covering how we use these items, to prevent them being resold or raising any liability issues. We have established a separate procedure to account for how we distribute this food.

Following the start of the new year our activities generally revert to what we consider 'normal' so our photos this month are a reminder of how we shared some happiness at Christmas.

Recalling Christmas ...

Give thanks ...

1. For the collaboration with the supermarkets.

Please pray ...

1. For safety for those working in wintry conditions, especially when travelling and when working in the warehouse.

Prayer Notes
February 2024

RoAF is essentially a faith-based organisation that relies on prayer. Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing of lasting value.

It has been said that 'no news is good news' and, on that basis, the resumption of our regular packing activities should be considered to be good news. We continue to receive sufficient donations to keep our teams occupied but there is still some scope for other volunteers to come and join in the fun.

Some new procedures concerning the export of goods will come into force later this year but hopefully all the bugs inherent in a new system will be resolved before we send our next lorry later in the year.

Give thanks ...

1. For the health and strength for the members of our packing teams.
2. For the continuity of the supply of items of value to the recipients.

Please pray ...

1. For more volunteers to share the satisfaction of helping the needy.
