Prayer Notes
March 2024

The imminent arrival of Spring brings many changes, not least in the type of clothing and bedding that we can donate. Warmer weather will mean that the items remaining from our winter stocks will be put into storage and be replaced by items received previously and which are more suited to the new season.

We have continued to receive generous donations of food from two local supermarkets. In January we received items with a commercial value exceeding £9,900. This is an arrangement brokered by a nation-wide food bank and there are limitations as to how the food can be used. There is a lot of work involved in the collection and distribution of the donations, together with preparing the necessary documentation, but we consider that the benefits are worth the additional effort.

New statutory accounting procedures require our staff to learn new software; this adds to the demands on their time and energy.

Give thanks ...

1. For continuing support from our colleagues in the UK.

Please pray ...

1. That our team does not become overwhelmed by the addition work that dealing with both the food distribution and the new software entails.

Prayer Notes
March 2024

RoAF is essentially a faith-based organisation that relies on prayer. Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing of lasting value.

Goods have been arriving in generous quantities. Starting from an empty warehouse in December we now have approximately half a load ready for transport to Romania. There is a pattern in the type of clothing that we receive; very often donated items are appropriate to the season which has just finished, as wardrobes are cleared for new fashions. As AN has some stocks of suitable clothing there is no immediate need for a transport so we will wait until we can send a full lorry, probably in May.

We have decided to make a small reduction in the opening hours at the Billingshurst warehouse. It will now be open to receive donations between 09:30 and 12:00 each Saturday

Give thanks ...

1. For the continuity of goods and support during the past thirty years.

Please pray ...

1. For health and strength for those who our activities possible.
