Prayer Notes
April 2024

Official figures published at the end of March show inflation in Romania is currently in excess of 7%, some 3 times the EU average. Prices of food and services have risen rapidly and annual local taxes became due in March. There has been an adverse impact on our shop income as customers need to limit their spending on non-essentials.

Earlier in March we were introduced to a charity in Iasi which had a supply of imported clothing which is surplus to its current requirements. The quality of the items is good and hopefully it can replace some of the lost income from the shop as well as providing more items for donation.

We have received a donation of solar panels from a supporter in the UK, together with the necessary inverter and ancillary equipment. These solar panels will be installed at Casa Neemia and will allow us to supply the building's electrical needs and to produce a surplus which can be fed back into the local supply grid.

At Casa Neemia: Spuds are us.

Give thanks ...

1. For local sources of food and clothing.

Please pray ...

1. For the transition to the new statutory accounting software.
2. About the impact that inflation is having on our ways of working.

Prayer Notes
April 2024

RoAF is essentially a faith-based organisation that relies on prayer. Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing of lasting value.

In south Wales, materials continue to come. For us, packing consists of days spent in the shed continually playing catchup. Last week we sent five completed pallets to Billingshurst, for onward transport in the next load; this has given us space in our garage for the next influx.

Now we have sufficient items in the warehouse to justify a load and we are planning for our next lorry to depart on the 20th April.

After Easter we resumed our packing sessions at Horley Baptist Church on the first and third Friday of each month but we will still be able to receive donations on the other Fridays. The Billingshurst warehouse will be open to receive donations only by prior arrangement.

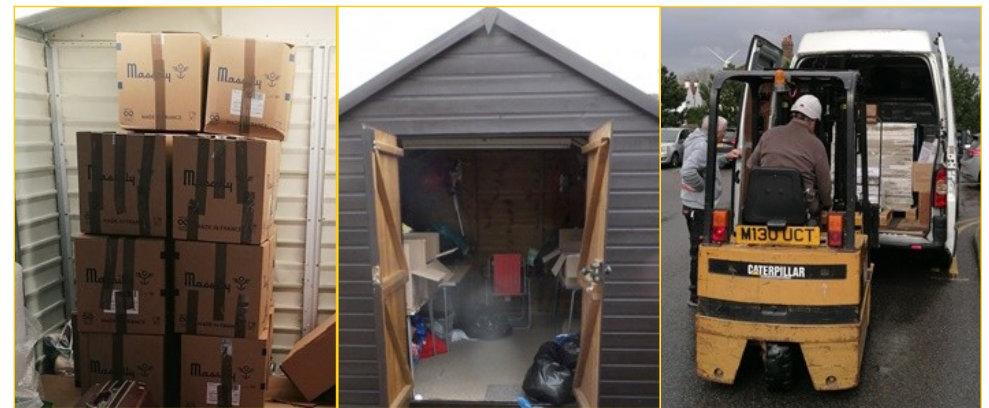

Give thanks ...

1. For the continuity of supply of suitable items for donation.

Please pray ...

1. For preparations in advance of the next load.
