Prayer Notes

June 2024

In Dorohoi we have received another load of clothing, bedding and other goods from our UK colleagues. We appreciate the effort which goes into preparing these loads and are happy to pass on the thanks of those who receive the goods. In addition we have continued to receive short-dated foodstuffs from two local supermarkets; the usual shelf value of food received during May exceeded 12,600 pounds.

Laurentiu Lozneanu has been a prominent member of the AN team since its inception some 26 years ago. His maturity and advice have been invaluable, as has his willingness to be hands-on and get involved in our activities. He has been instrumental in the success of Casa Neemia and now oversees the distribution of aid from the office.

Recently Laurentiu achieved that age when work becomes optional (in theory at least). He has decided to continue to work with AN, on a voluntary basis, and for that we are extremely grateful.

Give thanks ...

1. For Laurentiu's involvement for more than a quarter of a century.

Please pray ...

1. About rising costs in Romania which have an adverse effect on those who ask for our help and our ability to respond to their needs.

Prayer Notes

June 2024

RoAF is essentially a faith-based organisation that relies on prayer. Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing of lasting value.

We were able to send another consignment of aid items to Romania at the end of May. As we have come to expect, there was some en-route changes to the documentation but the items have arrived safely. We have heard that the customs inspectors were impressed with the quality of the goods; we are grateful for all those who helped to prepare the load so diligently and to those who provided other support.

Otherwise May has been a month like so many others. No outstanding items of news: the goods are coming in, packing continues in Horley and in south Wales and our team members continue to get older!

Give thanks ...

1. For the safe arrival of the latest lorry.

Please pray ...

1. For the good health of those who keep the show on the road.
2. For financing for the next load and other essential activities.

After inspection and packing the load is assembled ready for dispatch.
