Prayer Notes

September 2024

In contrast to much of Europe, the drought conditions in north-east Romania have worsened during the past month, with a detrimental impact on food production and therefore higher prices. Home gardeners too are feeling the effects of the limited rainfall, with many having to collect water from the communal supply.

We have continued to receive short-dated food from a local supermarket chain. Another charity which cares for elderly people has joined the scheme and now receives part of the food; this has reduced the amount we receive to about £4,000 each month. This amount is easier to distribute whilst still providing a worthwhile amount of help for those in need.

We send best wishes to Ema, until recently our receptionist, who is getting married this month. Ema helped with the transition to the new statutory system of digital transaction records and we trust that she will settle well into her new life.

The drought continues ...

Give thanks ...

1. For the continuity of items with which to help those in need.

Please pray ...

1. For team members who are adapting to new roles.

Prayer Notes

September 2024

RoAF is essentially a faith-based organisation that relies on prayer. Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing of lasting value.

The Horley packing team has continued to meet on the first and third Fridays of each month; this year, due to a good quantity of donations, we continued through August without taking our usual break. Together with our colleagues in south Wales, we are assembling another load, hopefully for dispatch some time next month.

In Romania our team continues to keep in contact with families which we have helped previously. In many cases they no longer need the same level of support as before: this is a success and an encouragement for all those involved in providing the aid.

Give thanks ...

1. For those who diligently pack the items ready for transport.

Please pray ...

1. For more hands to help make the work lighter.
2. About the plans for the next load later in the autumn.

Growing families ...
