Prayer Notes  
October 2024

The autumn season is upon us now, the distinctive colours are appearing even if the weather remains unseasonably warm. Now too is the time to start preparing for winter. One such preparation is the harvesting of the crops from our land; the maize crop was not good due to the lack of rain but good quantities of potatoes and other vegetables have been harvested at Casa Neemia. One popular way of preserving our vegetables is shown in the photos below.

We are pleased to report that our old VW van has once again passed its annual technical inspection. At 23 years old it is not surprising that it requires a degree of 'tender loving care' but, despite that, it has continued to serve us well.

From time to time we receive visits from supporters who want to come and see for themselves how RoAF and AN are helping. These visits are encouraging, both for our team and for the people we help.

### Give thanks ...

1. For encouraging visits by Richard in August and Graeme in September.

### Please pray ...

1. About changes in the minimum wage and general taxation that adversely affect our ability to help as many people as well would like.

Prayer Notes  
October 2024

RoAF is essentially a faith-based organisation that relies on prayer. Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing of lasting value.

We continue to receive healthy donations of clothing, bedding and other items, certainly enough to keep our packing teams occupied. We are working towards sending another consignment to Romania, probably in November. Once again, this will comprise a mixed load from Horley and from our team in south Wales.

In Romania we continue to help people in difficult circumstances but the level of desperation is not what it when we started thirty years ago. The RoAF trustees continue to review the focus of our activities, seeking to balance the available resources against the needs and opportunities.

### Give thanks ...

1. For the loyalty of our supporters.

### Please pray ...

1. About decisions concerning the way forwards in response to changing circumstances.
