## Prayer Notes

### November 2024

The prolonged warm weather has finally given way to wintry chills but we have managed to bring in our harvest in good time. The land at the warehouse yielded a better-than-expected crop of maize which will be milled as required during the coming months. Fortunately some residents of Casa Neemia were willing to lend a hand in getting the crop into sacks for storage.

The gardens at Casa Neemia were also very productive with a variety of vegetables including potatoes, tomatoes, carrots and a variety of herbs. Last month the residents prepared jars of ‘zacuscă’, a form of ratatouille, and this month two of our Ukrainian guests showed us how to preserve the carrots and green tomatoes for use during the winter months.

The donations of food from a local supermarket has continued and the items have been of considerable help to those who receive them. We have also received sponsorship for more baby milk, again gratefully received.

#### Give thanks ...

1. for the ability to help despite the increasing administrative burden.

#### Please pray ...

1. About the continuity of help for those who have fled the war in Ukraine.
2. For the health of our team members during the winter months.

A healthy diet: cereals, vegetables, baby milk ...

## Prayer Notes

### November 2024

RoAF is essentially a faith-based organisation that relies on prayer. Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God’s ultimate power source and, without prayer support, this work would achieve nothing of lasting value.

RoAF will be relinquishing the lease on the warehouse at Billingshurst with effect from the end of this year. Changes in the procedures for transporting and importing aid mean that the facilities at the warehouse are no longer needed. Nevertheless, we will continue to prepare and send the more limited range of items that are still needed.

A final lorry from Billingshurst is being planned for 16<sup>th</sup> November, after which the team will concentrate on ensuring that the warehouse is in good order for the next occupiers. We are extremely grateful to the property’s owners for the ability to use the warehouse for some 15 years.

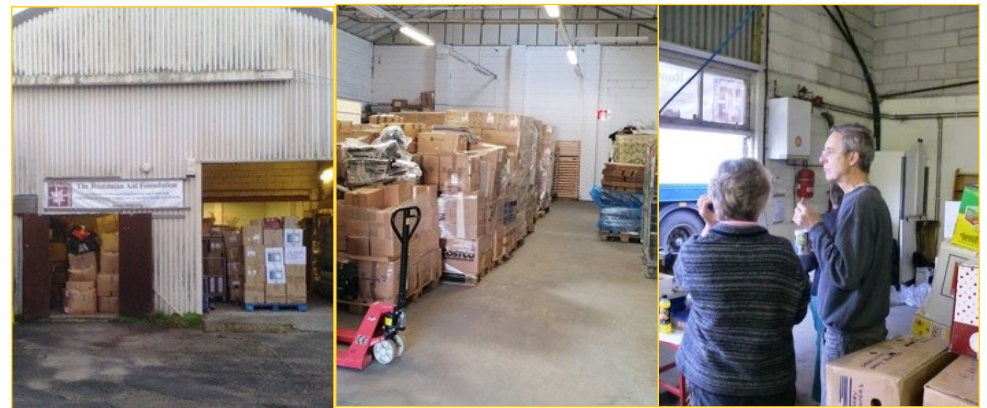

#### Give thanks ...

1. .For many years of benefit from the warehouse in Billingshurst.

#### Please pray ...

1. For the new arrangements for transport of the aid to Romania.
2. For guidance as we adapt to changing circumstances.

Warehouse memories ...
