Prayer Notes  
January 2025

There was an excellent response to our pre-Christmas food appeal, resulting in some 3½ tons of food being received directly from the customers of three local supermarkets. This is different from our daily collection of short-time food in that the food has been purchased and donated by the customers themselves. The collection was undertaken in co-operation with the Centre of Hope and the food was shared between our respective beneficiaries.

Also during December we were able to have some more of the maize from the warehouse land milled into flour. Despite the poor growing conditions earlier in the year our land did produce a worthwhile crop which we can mill and distribute during the winter months.

Firewood is still the principal - often the only - means of heating and cooking for many of the people that we help. At the beginning of the month we were able to purchase and distribute several loads of wood using funds received specifically for that purpose.

### Give thanks ...

1. For a year of support from our colleagues, both local and in the UK.

### Please pray ...

1. For our staff facing a busy workload in wintry conditions.

### Food, Flour and Firewood ...

Prayer Notes  
January 2025

RoAF is essentially a faith-based organisation that relies on prayer. Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing of lasting value.

Once again the old year with its memories of difficulties and successes gives way to the new one - what challenges will it bring? Perhaps one of the few certainties of the new year is that there will still be needy people left behind by the progress being made in the wider society.

We will be endeavouring to help where we can but we too face challenges including an ageing team, changes in legislation and transport regulations, and competing interests. But such is the nature of an endeavour that relies on voluntary support and we take this opportunity to thank for your support thus far and look forward to the year ahead.

### Give thanks ...

1. For another year of demonstrating God's provision for those in need.

### Please pray ...

1. For God's guidance as we plan for this year.
1. About a future where the only certainty is uncertainty itself.

### Sharing donated food ...
