## Prayer Notes

### April 2025

We have finally been able to instal the second set of solar panels at Casa Neemia. These panels were donated to us but poor weather and a shortage of contractors delayed their installation. The panels will help to reduce the costs of providing accommodation at Casa Neemia and we hope that they will generate sufficient power to give a surplus which can be sold back into the grid.

Casa Neemia is now home to 15 people, both Romanians and Ukrainians. The latter are families from the area now dominated by Russia and include one disabled person who needs ongoing medical treatment. There is good co-operation between the two groups.

Our dedicated staff and volunteers have been able to help many people during the past few months. This help can be in the form of clothing and household items, sponsored payments for firewood or as part of the food distribution. In addition, we have been offered the opportunity to hold a pre-Easter appeal at two branches of a local supermarket chain.

#### Give thanks ...

1. For the safe installation of the additional panels.

#### Please pray ...

1. For a successful collection at the supermarkets.

#### Power to the people ...

## Prayer Notes

### April 2025

RoAF is essentially a faith-based organisation that relies on prayer. Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing of lasting value.

The packing team in Horley usually meets on the first and third Friday of each month but this month the third Friday is Good Friday, meaning that the team's next packing session will be on 2<sup>nd</sup> May. Our packing teams, both in Horley and in south Wales, are getting older (and frailer!) but they remain enthusiastic - come and join them!

The needs in Romania no longer have the public focus that they once had but there are still many households who are being left behind by progress elsewhere in the country. We are providing help of some sort to approximately 400 households on a regular basis.

#### Give thanks ...

1. For the continuity of support for our work in Romania.

#### Please pray ...

1. For our dedicated packers, for good health and continued enthusiasm, and for some additional help too.

#### Packing, ploughing and playing ...
