Prayer Notes

July 2025

School is out. The summer holidays in Romania last from late June to early September. The reason for this long period is historic: the children were required to help bring in the harvest. Now that so much more of the population is focussed in urban areas there have been suggestions that this amount of time is excessive but there is resistance to any change because the long period allow families a greater choice of timing for their holidays.

We are likely see an increase in casual labour opportunities for some of our beneficiaries at this time of year as many Romanians who work abroad come back and use the time to work on their houses.

For our team in Romania the start of the summer holiday has become associated with the children's camp at Voronet. Each year, some 50 children from our beneficiary families enjoy five days in the mountains, introducing them to an environment and a social interaction that they not have been familiar with previously.

Give thanks ...

1. for the generous sponsorship that underwrote the camp again this year.

Please pray ...

1. for those who may have been challenged during their time at camp.

Prayer Notes

July 2025

RoAF is essentially a faith-based organisation that relies on prayer. Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing of lasting value.

We are grateful for the continuing supply of clothing and bedding being offered to us. In Horley our packing team has had plenty to do, so much so that we have decided to continue through August, on the first and third Fridays of that month.

The distribution of clothing to those in need forms the basis of our operations in Romania – it is that which provides the charity status that allows us to maintain our wider activities there, such as qualifying for the food donations that we receive and certain other benefits.

Once again we want to thanks all those who contribute to the continuation of our mission to help those in need.

Give thanks ...

1. for continuity in donations of clothing and financial support.

Please pray ...

1. for our team in Romania as they work through the hot summer.
