Prayer Notes

January 2026

In December we were invited to run food appeals at two supermarkets in Dorohoi and one supermarket in Darabani. These appeals are in addition to the daily collections of short-dated food items. The customers of the supermarkets are asked to donate one or two items that they have purchased. The total value of these donations amounted to some £12,500; a team of volunteers then prepared and distributed food parcels for families in the villages near Dorohoi.

Recently, our daily collections included a large quantity of fruit and sweets. Both of these are very popular with the door-to-door carol singers who visit on both Christmas Eve and on New Year's Eve.

A donation of hi-vis jackets arrived in time to be distributed before the onset of the winter weather. They are very much appreciated.

Negotiations about the reuse of the land surrounding our warehouse at Dealu Mare have continued but administrative procedures require the cross checking of land transactions back to 1989 and can be slow.

Give thanks ...

1. that so many people received food and clothing during the past year.

Please pray ...

1. about forward planning, which is often sidelined by immediate needs.

Winter donations: food, fruit and jackets ...

Prayer Notes

January 2026

RoAF is essentially a faith-based organisation that relies on prayer. Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing of lasting value.

We have had a successful year, both in Horley and in south Wales and we want to thank all those who have brought us items that we can forward to Romania. In Horley the packing team will be resuming on Friday 16th January and then on the first and third Fridays of each month thereafter.

Romania has instituted an EU directive that requires that all packages valued at less than €150 arriving in the EU will incur an import charge of €5 per package. We have yet to see the implications for the transport of our donated goods.

The joint Romanian and Ukrainian community at Casa Neemia has matured, with many of the residents being involved in our wider activities.

Give thanks ...

1. for another year during which we have been able to help the needy.

Please pray ...

1. for guidance in an increasingly complex legislative environment.
