Prayer Notes

February 2026

In previous years, the month of February has often been the coldest time of the year in this area of northeast Romania. However, this year January has set the records so far with negative temperatures into the double figures for an extended period. This has implications for the activities of our team - whilst many people are still braving the trip to the office there are others who ask for help at home.

We have continued to donate food, clothing and other items throughout the cold months but the adverse conditions have made travelling difficult. In particular, the daily collections from the supermarkets have, on some days, resembled a polar expedition!

As might be expected, there has been an increase in the numbers of people asking for help with the cost of heating their homes. This is exacerbated by the high inflation rate in Romania (nearly 6% pa). These rising costs affect our own activities. Some families receive sponsorship but we have not been able to help many other people this winter.

Give thanks ...

1. that we still have good supplies of food and clothing to donate.

Please pray ...

1. about the travelling hazards that these wintry conditions present.

Prayer Notes

February 2026

RoAF is essentially a faith-based organisation that relies on prayer. Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing of lasting value.

Both our packing teams, in Horley and near Swansea, have reported receiving good quantities of clothing and similar items for onward transport to Romania.

The Horley team has received items from mostly southern England: Dorset, Hampshire, Sussex, Essex even Birmingham. They arrive with us by various routes, mostly personal delivery.

The Horley packing dates are 6th and 20th February, then the 6th March. When we sort and pack, very few items are discarded because of unsuitability for donation. We currently have more than half a ton of items ready to dispatch to our colleagues in Dorohoi.

Give thanks ...

1. for financial support that covers our current level of activity.

Please pray ...

1. for the safe transfer of these items to those who will benefit from them.
