Prayer Notes  
March 2026

A message from Nataliia:

*I have been in Romania since the very beginning of the war, on March 8, 2022, and in Dorohoi (CASA NEEMIA) since August 2025. There are living conditions here (rooms, a bathroom, a kitchen for cooking). The Neemia team takes care of everyone in the house (bringing groceries, helping with transportation, and repairing household appliances if needed). May the Lord bless them for their kindness, warmth, compassion, understanding, their concern for the fate of Ukrainians, and their care for everyone in the house. Sincerely, Nataliia.*

Several of our Ukrainian guests have health issues resulting from what they have experienced. In addition, most of them now have no regular income and this adds to their feeling of insecurity. By contrast, their children have been accepted into local schools and found friends there.

Using Casa Neemia in this way was not part of our business plan but we are grateful for the miraculous provision of the necessary funding.

### Give thanks ...

1. that we have able to provide a peaceful respite for the refugees.

### Please pray ...

1. about those Ukrainian families whose long-term future is uncertain.

Prayer Notes  
March 2026

RoAF is essentially a faith-based organisation that relies on prayer. Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing of lasting value.

February saw the fourth anniversary of the Russian attacks on eastern Ukraine and the resultant flight of many people who feared the likelihood of a full-scale invasion. In the early days we were able to use the facilities at Casa Neemia to provide short-term respite for people seeking refuge; our initial visitors often moved on after a short period of rest.

For the past three years we have been able to provide longer-term accommodation for several families from the areas of the fighting. These people have come from areas that have been substantially destroyed and they now have nothing to go back to. We have expanded Casa Neemia to provide additional space and an integrated community has developed.

### Give thanks ...

1. for the donations to expand the accommodation at Casa Neemia.

### Please pray ...

1. for further funding to meet the increasing costs of providing this home.
