Prayer Notes

June 2026

The weather in this area of northeastern Romania has resembled that more associated with an English summer - cool temperatures, heavy rain and strong winds. Thankfully, none of our principal buildings has been damaged but the polytunnel at Casa Neemia has suffered some tearing of its plastic sheeting. Nevertheless, the Casa Neemia team has decided to use it again in the hope that what remains will offer some protection for the tomatoes and peppers that have been planted.

We still have a quantity of sunflower seeds from last year's crop on the warehouse land; perhaps enough to produce an additional 900 litres of oil.

The war in neighbouring Ukraine continues to have an impact on our activities. Most of our Ukrainian visitors have integrated well into the community at Casa Neemia but two, who have first-hand experience of the war, have continued to have complications arising from their experiences. This adds to the workload of our team and those friends who are trying to ensure they receive appropriate help.

Give thanks ...

1. for daily blessings that encourage us to continue with our work.

Please pray ...

1. for those Ukrainian residents who need special help at this time.

Prayer Notes

June 2026

RoAF is essentially a faith-based organisation that relies on prayer. Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing of lasting value.

We are grateful to those who continue to bring us clothing and other items to keep your packers busy. The goods we receive, whether in small numbers or larger batches, are of good quality and we have very little waste. We know, too, that the items that we send are still much appreciated by those who receive them in Romania.

The donation of these items to needy people is integral to maintaining the charitable status of our team in Dorohoi, which in turn qualifies them to receive and distribute the short-dated food from two local supermarkets. In the 5 months to the end of May, over 2,000 donations of food were given to people visiting the office, representing a shelf value of some £50,000.

Give thanks ...

1. for the continuation of support in goods, finance, time and prayer.

Please pray ...

1. for health, strength and encouragement for our volunteers.
