

Asociația Neemia

Prayer Notes
October 2026

In May of this year the mainly centre-left coalition government in Romania collapsed, leaving the previous prime-minister without a mandate to govern. He is remaining in post pending the formation of a new government but many attempts to date have been unsuccessful. It seems likely that the stalemate may be resolved by the acceptance of a right-wing pro-Russian party in a new government. This has significant implications for our Ukrainian evacuees; their presence in Romania may become less welcome. However, despite rising costs, we continue to provide accommodation for ten Ukrainian guests at Casa Neemia alongside a similar number of young Romanians who would otherwise be homeless.

During this year incursions by military drones into Romanian airspace have continued. Recently one was seen passing overhead some 100 metres from our warehouse near Dorohoi. A sense of insecurity could discourage investments and employment in this area, adding to local hardship.

Give thanks ...

1. for the ability to continue to provide a home at CasaNeemia

Please pray ...

1. for our Ukrainian guests and their homeland.

Casa Neemia: preparing garden produce for winter meals.

Prayer Notes
October 2026

RoAF is essentially a faith-based organisation that relies on prayer. Below and overleaf we offer some prayer pointers, but please feel free to add your own items as they come to mind. Prayer is our connection with God's ultimate power source and, without prayer support, this work would achieve nothing of lasting value.

RoAF in Horley has the long-term use of a van for local transport; this vehicle has been loaned to us by one of our team in Horley. We are pleased to report that it has passed its annual technical test and will serve us for another year. Our team in south Wales also has the use of a van and we are very grateful to those who have provided these vehicles.

In Horley we have a 24-hr collection box in the car park at St Francis Church. After 20+ years the first version has finally deteriorated past the point of recovery so two of our team have installed a replacement box. We are grateful to the church for hosting this box and we ask those who use this box to avoid doing so during the church service times.

Give thanks ...

1. for the provision of vehicles for our work locally in the UK.

Please pray ...

1. for safety for our teams as they respond to the needs in Romania.

Reggie the Horley van, and the new drop box for clothing.
